

DESCRIPTION	Protective wax used to protect the surface of Cameleo decorative effects against water. Facilitates subsequent surface care.
Variants	Camewax transparent / Camewax pearl silver / Camewax pearl gold / Camewax matt transparent / Camewax matt silver / Camewax matt gold
METHOD OF TINTING	Lack
SURFACE PREPARATION	Before starting the application of wax, the surface of the substrate should be properly prepared.
PRODUCT PREPARATION	The wax should be thoroughly mixed before application.
APPLICATION	Venetian trowel flex
TECHNICAL DATA	
Thinner:	Water
Specific weight:	0.99 g/ml
Efficiency to:	Up to 0.01 kg/m ²
Practical efficiency:	The yield depends on many factors such as the porosity and roughness of the substrate and material losses during application.
pH:	Approx. 7.8
PRODUCT DRYING TIME	
	At the temperature of 20°C and 50% air humidity.
Dry to the touch:	2 hours after application
Hardening:	7 days after application
CLEANING TOOLS	Warm soapy water.
APPLICATION CONDITIONS	Application temperature +10°C - +30°C. The minimum temperature of the substrate: +10°C. Maximum substrate temperature: +30°C. Substrate humidity should not exceed 4%. Maximum air humidity: 75%.
STORAGE AND TRANSPORT	Store in a tightly closed container at a temperature of +5°C - +25°C. Product sensitive to frost. Protect against sunlight. Shelf life: 12 months from the production date in original sealed packaging (production date on the packaging).
PACKAGING	0.25 kg, 1 kg, 3 kg
SAFETY INSTRUCTIONS	All product safety indications are available in the Safety Data Sheet.
COMMENTS	Before use, the product should be mechanically mixed thoroughly, avoiding dust formation. When working on planes larger than those provided for in the capacity of a unit package, it is necessary to mix the contents of unit packages in one collective package. The colors shown in the catalog may differ from the actual colors on the wall. The colors depend on the method of application, texture, gloss, lighting, sunlight, and the types and intensity of other colors in the environment. The conditions of storage, transport and use as well as the end result are beyond our control and therefore cannot constitute a guarantee in the legal sense. The statutory provisions and any rights of third parties must always be observed.
WARRANTY	Cameleo Leśniewicz Gradkowska Spółka Jawna guarantees that Cameleo products are of commercial quality in accordance with the standards declared by Cameleo. Cameleo products are covered by the warranty, provided that they are used in accordance with the instructions contained in the Technical Data Sheet of the Product. Products are not covered by the warranty if they are not used in accordance with the information contained in the Technical Data Sheet of the Product. Liability under this warranty (if the product turns out to be defective) is limited only to the replacement of the product or the refund of the purchase price of the product. This warranty is valid for one year from the purchase of the product.
