Maximum air humidity: 75%. In the case of application on substrates with underfloor heating, they should be extinguished beforehand, min. 3 days before starting the application.
STORAGE AND TRANSPORT	<p>Store in a tightly closed container at a temperature of +5°C - +25°C. Product sensitive to frost. Protect against sunlight.</p> <p>Shelf life: 12 months from the production date in original sealed packaging (production date on the packaging).</p>
PACKAGING	80 ml, 240 ml, 480 ml, 1,04 l
SAFETY INSTRUCTIONS	All product safety indications are available in the Safety Data Sheet
COMMENTS	<p>Before use, the product should be thoroughly mixed manually or mechanically. When working on planes larger than those provided for in the capacity of a unit package, it is necessary to mix the contents of unit packages in one collective package.</p> <p>The colors shown in the catalog may differ from the actual colors on the wall. The colors depend on the method of application, texture, gloss, lighting, sunlight, and the types and intensity of other colors in the environment.</p> <p>The conditions of storage, transport and use as well as the end result are beyond our control and therefore cannot constitute a guarantee in the legal sense. The statutory provisions and any rights of third parties must always be observed.</p>
WARRANTY	Cameleo Leśniewicz Grądkowska Spółka Jawna guarantees that Cameleo products are of commercial quality in accordance with the standards declared by Cameleo. Cameleo products are covered by the warranty, provided that they are used in accordance with the instructions contained in the Technical Data Sheet of the Product. Products are not covered by the warranty if they are not used in accordance with the information contained in the Technical Data Sheet of the Product. Liability under this warranty (if the product turns out to be defective) is limited only to the replacement of the product or the refund of the purchase price of the product. This warranty is valid for one year from the purchase of the product.
